

Week 6 & 7

# FORRIE FILES

**Forrestfield**  
PRIMARY SCHOOL  
*Community Edition*

## Week 6

- ▶ **Labour Day**  
-Public Holiday
- ▶ **PUG Assembly**  
Friday 8th at 9.00am

### Welcome to Forrie Day

Thank you to our amazing P&C for providing and cooking the sausage sizzle for our first community event of the year. It was great having so many parents and carers come along and mingle with our staff. It was a great opportunity for parents and carers to walk through classrooms and see work that their children have been completing in class.

### Special Visitors

On Friday, 1 March, the Premier of Western Australia, Honourable Roger Cook, visited the school along with our local Member of the Legislative Assembly, Mr Stephen Price. I used the opportunity to discuss the long running issues the school is experiencing with our hardcourt and to campaign for extra funding to address the underlying plumbing issues that is making the project unaffordable.

### Triple P

Please find attached an important flyer advertising a series of useful free online workshops for parents and carers that provide useful ideas and strategies to help your child develop the skills and behaviours they need for a healthy childhood.

### Pre-Primary

The lovely Pre-Primary's students had an amazing time exploring their new classroom and all the exciting environments. From the cozy book corner to the busy construction area, they've been immersing themselves in a world of learning and creativity. We have introduced a wonderful new practice called the "Zones of Regulation" check in. Every morning, we gather as a class to identify which zone we are in and how we are feeling. We do this by checking in every morning and throughout the day. Its a fantastic way for our little ones to develop self awareness and emotional intelligence. By understanding the different zones and the emotions associated with each other, were empowering our students to better express and manage their feelings throughout the day. Its truly heartwarming to witness their growth and progress in this area!

### Term 1 Progress Meetings

As part of the school's Communication Strategy, which is available on the school's website ([www.firstinforrestfield.wa.edu.au](http://www.firstinforrestfield.wa.edu.au)), the school will be holding parent/carer meetings with their child's teacher on Wednesday 20 March 2024. The brief 5-minute meetings are an opportunity for parents and carers to find out how their child has settled into the new school year and for teachers to share any concerns they may have about their learning, behaviour and/or effort. More specific information should have been received via COMPASS last week.

## Week 7

- ▶ **NAPLAN Starts**  
Yr 3 & 5
- ▶ **Yr 6 Basketball Carnival**  
Friday 15th
