Athletics Carnival

Our annual Athletics Carnival last Friday, 30 August 2024, was a great success due to the many efforts of the whole school community. Expertly led and organised by Mr Angus Taylor, with the support and assistance of Mrs Georgia Young and Mr Jordan Truscott, the day went smoothly, and all students had a great time participating in the various different events. Staff worked hard all day setting up for the day and making sure that students were ready to participate in the day. Many thanks to our amazing P&C for their time and effort in operating the sausage sizzle and stall. It was really pleasing to see so many parents and carers attending on the day. It was certainly a very successful day and highlighted what an amazing community we have at Forrestfield Primary School.

Approach to Bullying

Last week, the school launched its definition of Bullying and the recommended approach that students are encouraged to take when and if faced with unacceptable behaviours. It would be greatly appreciated if parents/carers regularly reinforce the definition of what bullying is with their children and the necessary steps for them to take if they are faced with bullying at and out of school.

Bullying is being hurtful to someone on purpose, over and over again.

If someone gets If someone gets physical with you or damages your property, you are encouraged to tell an adult straight away. If someone is unkind, you need to follow these steps:

- *First time: Walk away*
- *Second time: Say, "Stop, you're being hurtful."*
- *Third time: Tell an adult*

Feedback

Parents/carers are asked to complete the attached feedback form for different events that have taken place this term so that we can provide our students with the best opportunities and experiences. Completed form need to be emailed (forrestfield.ps@education.wa.edu.au) or dropped into the front office by **Monday, 9 September 2024**.
