Monday 4th November

Kindy Info Meeting 2025
Wednesday 6th November

Assembly
Friday 8th November

From the Principal

What a great 4 weeks we have had, and a big thanks to our P&C for the Colour Run they organised on Friday resulting in a little over \$6000 dollars for the school. The slime and silly string did eventually wash off, but it's all for a great cause. Tonight, sees the culmination of months of hard work and preparation with our students participating in the School's Massed Choir in Mt Claremont tonight. Congratulation to Ms Young and all the students with the support of parents and caregivers for this culmination of the many hours of practice and rehearsal they have put in. Friday will be Ms Henshaw's last day at Forrestfield Primary School as embarks on a well-deserved Long Service Leave break. I would like to take this opportunity to thank her for her contribution to the school and wish her a great break. Term 4 is a busy one and I look forward to catching up with many of you, both familiar and new, as the term goes on.

Senior Choir

Our Senior Choir had the incredible opportunity to be part of this year's Telethon! A huge thank you to Ms. Young for her dedication and organisation, which made this experience possible. Well done to our amazing choir students for their hard work and enthusiasm! We hope that everyone managed to catch the choir on Channel 7 during the Telethon weekend. The dress rehearsal for the Massed Choir performance at HBF Stadium went well and tonight (Wednesday) is the concert where FPS will be on stage with 12 other schools. We wish them well!

Swimming Lessons

Swimming lessons commence on Monday 4th of November and run every day for 2 weeks. If you haven't returned your child's permission slip or money, please do so as soon as possible.

P&C Colour Run and Glow Disco

Thank you to the P&C for the amazing Colour Run. The total raised was \$6502!! Congratulations to the highest fundraisers: 1st - Mila T, 2nd - Logan H, 3rd - Charlie B. Also, to Riley Robson who has won \$50 towards his swimming lessons for fundraising over \$30! The P&C will also be hosting a Glow Disco on Friday 22nd November and a P&C Paint Party on Saturday 9th of November. Please see their Facebook page for more information.

World Teachers' Day

Hats Off to our Teachers! Last week we celebrated our teachers and thanked them for all the work they do to educate, inspire and empower our learners.

Friday 1st November – Pupil Free Day

A reminder this Friday there will be **no school** for the students as it's a staff development day. We will see you all back on Monday 4th November.

Room 4

In Room 4 we integrate technology across our learning areas, where possible. For example, we use our iPads to engage in Prime Mathematics, to research in English when we are writing information reports and we research the states and territories of Australia in Geography. I am very impressed with how our students use technology mindfully and responsibly. This is a snapshot of Tasneem doing her Daily Review "igh" and "i_e words".
