Last week of Term 1

As we finish the first term of 2025, you'll notice a few exciting changes happening around the school. We're thrilled to announce the installation of new hard courts, as well as the addition of turf in the early childhood area. These upgrades will enhance our school facilities, providing students with improved spaces for sports and outdoor activities. Keep an eye out for these updates as we continue to make our school a better place for learning and play. We hope everyone has a safe and happy holidays we will see our students back on **Monday 28th of April** to begin term 2.

Attached is the schools term 2 planner for all the important upcoming dates.

Summer Carnival

Our recent Summer Sport Carnival was a fantastic success, with three enthusiastic teams representing our school in volleyball, cricket, and tee ball. Despite the wild winds and wet weather, our students braved the elements and showed great sportsmanship, embodying our school values and making us proud with their determination and teamwork.

It was incredibly satisfying to see the students' confidence grow in just a few short games. Our volleyballers demonstrated great resilience against the strong winds, our tee ballers cheered each other on through home runs and great plays, and our cricketers worked like a well-oiled machine. A special thank you to Mrs. Harrison, Mrs. Young, and Mrs. Kennedy for their support throughout the event, and to Justine Lange for helping coach our tee ball team.

The competition was fierce, but our teams demonstrated excellent skills, with a mix of wins, draws, and losses. Notably, our cricket team shone, only losing one game and winning the rest.

Well done to all involved, and we look forward to more successes in the future!

Easter Hat Parade

This Friday at 9am we will be holding our Easter Hat Parade. We invite all parents, guardians and community members to this special event as the students showcase their Easter Hats they have created at home. There may even be a little easter treat for the 'most creative' hat in each class. Our fabulous P&C will also draw their easter raffle at the assembly. We hope to see you all there.

Lost Property

If any of our students have lost anything over the term there will be a rack outside the admin building of lost property. Please check this regularly if you have lost anything as it may be hanging there.

Inside Out

This Friday, students will be watching the movie *Inside Out*. Please make sure all students have returned their permission slips to indicate if they have permission to watch the film. If you need another form please see the front office.
