

FORRIE FILES

WEEK 6

NAPLAN Commences
Wednesday 12th Mar

Assembly
Friday 14th Mar 9am

Assembly Notifications

A reminder we have an assembly this Friday in the undercover area at 9am. Everyone is welcome to attend! We hope to see you there.

Parent notifications for assembly awards may look a little different whilst we work towards implementing a new system.

Swimming Lessons

As we prepare for swimming lessons beginning in Week 7, we kindly remind all families that permission slips and payment must be submitted to the front office as soon as possible. A big thank you to those who have already returned their forms and made payment.

We understand the importance of swimming in our students' development and are more than happy to offer payment plans that can be spread throughout the year. However, we do ask that all families provide a \$20 deposit to cover the pool entry fee.

To set up a payment plan or submit your deposit, please visit our school officers in the front office. If you need additional permission slips, they are available from the administration.

NAPLAN

NAPLAN will be commencing this Wednesday and continuing into next week for our year 3 and 5 students. (This will not interrupt their swimming times).

Election BBQ!

Saturday was another example of how well our community comes together to make these events a success. To everyone who gave their time, supported our sausage sizzle or stopped by for a chat THANK YOU!

Sustainability News

WOW! It's been a busy couple of weeks with Sustainability initiatives at school. On Friday 28th February the whole school participated in the National Schools Clean Up Day, supporting Clean Up Australia Day. Students and staff from Kindy to Year 6 helped to collect and remove litter from our school. It was a fantastic effort! See the back pages of the Community Files for our photos and Certificate of Thanks.

On Tuesday 4th March, we had CleanAway visit for a free Incursion all about Waste and how we can Reduce, Reuse and Recycle. Students from Years 1-6 learnt how to

classify and sort different types of waste, what the different coloured bins are for and even where we should dispose of old batteries and E-Waste. Some classes even competed in a Rubbish Relay, which was a lot of fun! Be sure to share this at home to help our environment!

WEEK 7

Swimming Commences
NAPLAN Continues
Monday 17th Mar

A big thank you to CleanAway and City of Kalamunda for helping support these initiatives at our school.

New flag poles

When walking down our hard courts you will notice the new flag poles the school has just had installed in preparation for our ANZAC Service at the beginning of term 2.
