Flowers Donation

We hope you all had a lovely Mothers Day! A huge thank you to community member Norm who donated not only his time but seedlings, soil and pots for the students to plant and give to their special someone in their life on Mothers Day.

From the Pre-Primary

In Week Three, we've been focusing on our Resilience Project, with this week's theme being *"Emotions are neither good nor bad."* We explored the idea that all emotions are valid and that it's completely okay to feel a range of different emotions.

It was a beautiful day, so we decided to take our Resilience activity outdoors. We lay down and looked up at the sky, noticing the colours and patterns we could see. Then, we turned our attention to the stunning tree in our garden and created drawings inspired by it. This peaceful activity helped us feel calm and grounded.

After coming back inside, the children were relaxed and ready to continue with our indoor learning. As Kade put it so wonderfully: **"Miss Gungor, I feel relaxed and calm. I'm going to put my face in the green zone now."**

We're so proud of the way the children are developing their emotional awareness and learning to express how they feel in healthy and confident ways.

Pupil Free Day

Just a reminder **Friday 30th of May** is pupil free day for all students as all staff have their staff development day. **Monday 2nd of June** is a public holiday as it's WA Day. Enjoy the long weekend.

Assembly

Room 12 have their assembly this Friday in the undercover area at 9am, we hope to see you there. Friday is also P&C Day where we will be thanking our amazing P&C for all the fabulous things they do for our students! We are so lucky to have such an amazing support network for our school.

Simultaneous Story Time – Wednesday 21st of May

National Simultaneous Storytime (NSS) is held annually by the Australian Library and Information Association (ALIA). Every year a picture book, written and illustrated by an Australian author and illustrator, is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country. Now in its 25th successful year, it is a colourful, vibrant, fun event that aims to promote the value of reading and literacy, using an Australian children's book that explores age-appropriate themes, and addresses key learning areas of the National Curriculum for Foundation to Year 6. This years book is *The Truck Cat* by Deborah Frenkel and Danny Snell.
